

This Summer Your Child Will Travel Around the Country...

Embark on an exciting cross-country adventure to summer fun, where your child's journey will lead them on a trip around the USA! Each state offers a unique array of experiences, from iconic landmarks and engaging crafts to delicious culinary activities, and special guest appearances to enjoy along the way!

Imagine if you could do all of this in one summer. We believe in the whole child experience through encouraging staff, hands-on discovery, and fun recreational activities. The sky is the limit as your child's day will be filled with exploration that is structured to stimulate both creative and critical thinking skills. We will provide exciting activities focused on weekly themes that build self-esteem, friendships, and lasting memories!

The Summer Program is for children in Preschool, Pre-K, and School-Age classes.

The program will start on:

June 2nd and end on August 15th.
